Title: The Collection of Taxes and Its Relation to Industry and Commerce

Editor: Chung-nan Hsin-hua Shu-tien

Publisher: Editor, Hankow, June 1950

Sponsor or

Issuing Authority: None indicated

No Pages: 74

Language: Chinese

Repository and Catalogue No: Hoover Library, C 8056;

Area of Coverage: China -- Central-South Administrative Area

Subjects Covered: National tax policy; centralization of tax administration;

commercial, industrial, and commodity taxes

Review: Official documents and popular articles on tax collection. Includes the official texts of the provisional regulations governing the collection of commercial, industrial, and commodity taxes and the fundamental principles of tax administration as adopted by the Government Administration Council on 27 January 1950. Also contains eight articles dealing with the gradual centralization of tax administration, the correction of the merchants' disrespect for taxes, the problems of tax collection, and the importance of tax collection to balancing the national budget and stabilization of the economy.
